

# FIELD MANAGEMENT & KEYSTYLE ADVANTAGE

## Keystyle Core

Extend your Vista™ by Viewpoint data with a mobile-friendly platform

Provides employees with web-based access for:

- Self Service
  - Paystubs, W-2, T4, 1095-C, Total Compensation
  - Personal Information & Emergency Contact Updates
  - Time Off & Leave Tracking
  - Open Enrollment & Benefit Management
- Office Tools
  - AP Unapproved Invoice Review
  - Expense Reports
- Field Tools
  - Daily Logs
  - Custom Forms & Checklists
  - Purchase Orders

## Field Management Connect + Keystyle Core

Push your Field Management data to Vista automatically and make approvals mobile

Leverage the Keystyle web portal to enhance your Field Management workflow with:

- All features of Keystyle Core
- Automatically push timecards to Keystyle for approval
- Supports job approval setup in Vista
- Supports mobile approval

## Field Management Flow + Keystyle Core

Combine the benefits of Keystyle with two-way Field Management/Vista integration

Ensure data between Field Management and Vista is always synced with:

- All features of Keystyle Core & Field Management Connect
- Sync all timecard and production data from Vista to Field Management
- Supports retroactive data migration for existing customers
- Ensure consistent reporting between Field Management and Vista
